Mountain Therapeutic Massage

Summary

Published : Jan 18, 2024

Description

Hello, I am Tracy Fate, I have over 27 years of experience and 2500 hours of training. I have worked in medical settings including hospital and chiropractic offices as well as luxury resort spas such as Waldorf Astoria. With this background I have created a fantastic mix of a therapeutic and luxury massage. I listen to you and what your body needs. No two people need the exact same massage and I am intuitive to your needs.
