Description

In 1816 John Swire & Sons began operations in Liverpool, England as a trading company. In 1866 the company initiated a trade with China and established its first Far East office in Shanghai. Swire is currently one of Hong Kong's leading publicly quoted companies with worldwide interests in aviation, property development, marine services, beverage production & distribution, engineering, cold storage, agriculture, and a variety of trading companies.

At Swire Coca-Cola, we win together by serving as constant and true advocates for our people, our customers, our partners, our community, and our planet.
